Dear Mr Fong,

On behalf of Sandringham Yacht Club's Recreational Boating Committee I am writing to say thank you to you and your colleagues Clement Chang and Simon Oakley for addressing our Guest Speaker evening last Wednesday 10th August 2011.

Regrettably I could not be in attendance on the night due to a business commitment but Sue Bowes advised me the talk/demonstration was a great success and thoroughly appreciated by all of those who attended.

I would also like to acknowledge Safety Marine Australia's generosity in providing us with several of your wonderful PFD's. I am planning to include these PFD's as raffle or event prizes in the future and you can be assured I will be giving Safety Marine Australia due acknowledgement each time I hand one out to a lucky winner!

As you may be aware Sandringham Yacht Club has two thousand five hundred members so hopefully you will gain some business opportunities as a result of your generosity with your time and goods.

Yours sincerely,
Sandringham Yacht Club
